

No.: CHT/ED/06

09.09.2020

**Sub: Lok Sabha : Diary No. 685 dated 08.09.2020 be answered on 14.09.2020 regarding Accidents in Oil and Gas Industry**

- Q (a) whether it is true that the major cases of accidents in the oil and gas industry are due to non-compliance of Standard Operating Procedures;**
- Q (b) whether there is any set procedure to fix the accountability for accidents in oil and gas installations;**
- Q (c) if so, the details thereof?**
- Q (d) whether the Safety Council is planning to monitor the compliance in the oil and Gas Industry within a fixed time frame and if so, the details thereof?**
- Q (e) if not, the reasons therefor; and**
- Q (f) whether the Government is planning to make it mandatory for oil and Gas companies and agencies to review the causes of accidents to overcome the shortcomings in design and procedure and if so, the details thereof?**

**Reply :** Do not pertain to CHT. Inputs may be obtained from OISD and Oil and Gas CPSEs.
